

## Conference "Albania a new idea of European wellbeing"

### Why this activity:

Albania wants to join the EU, not only because it is effectively and geographically part of Europe, but in the hope of a real European integration perspective based on fundamental principles of peace, wellbeing, equality, human rights, freedom because only a joint vision of Europe where the individual and his needs are placed at the forefront can bring prosperity and wellbeing, can provide real opportunities for building a prosperous and sustainable future, for the young generations and for all of us.

### The content of the conference:

The conference will be honored by the presence of Mr. Gianni Pittella the actual Head of the Social-Democratic group in the European Parliament, and former Vice President of the European Parliament, with the presence of Prime Minister of Albania Mr. Edi Rama and the President of the Albanian Parliament Mr. Ilir Meta The conference is conceived as a space where the values and principles of the European Union are promoted giving a view of what this values represent for Albania and Albanians in 2014. At the same time an open discussion will take place about the path towards the European Union, not only as a political union, but above all as a union of values, a union of people. Not only national integration as a super political structure, but firstly an integration of European society at human level.
